LET'S HELP TO ASSOCIATION
»MATERINA DUŠICA« IN PILŠTANJ
LET'S MAKE CHILDREN'S
HOLIDAYS BEAUTIFUL

The association »Materina dušica – Mala hiša in Pilštanj implements an educational and care program - family type. It was founded in 2002, and the Little House for socially disadvantaged children opened its doors on 12/12/2005 at 12 noon. We have approximately 250 visits from children per year.

Our program works throughout the year, we accept in case of problems, hardships and advise on first social assistance, in case of divorces, problems, on weekends, holidays, vacations we offer free camps attended by children from socially weak families and children who have various hardships, problems. We work with parents for the well-being of the child, even one of the parents can attend the camp alone if it is in the interest of the family and the child. Many users are from an adapted program where they need help learning the basic things we need for life. The program is of a family type. We learn communication, openness, new behavioral patterns, tolerance, kindness, how to help or recognize difficulties, seek help in a difficult situation, we teach work habits, personal hygiene, cooking, housework for young people, as well as how to find a job, an apartment, manage money, about responsibility...

The workshops for children are conversational, adapted to the age of the child, children have the opportunity to have a personal interview with a chosen confidential person.
